

UMOH DEBORAH

Frontend Web Developer | React, Next.js, Tailwind CSS
Ilorin, Kwara State, Nigeria | +234 907 055 3561 | umohdeborah5@gmail.com
LinkedIn | GitHub | Portfolio

Professional Summary

Frontend developer passionate about building clean, responsive, and user-centric web applications. Skilled in React, Next.js, Tailwind CSS, and API integrations. Experienced in collaborating on real-world products, from streaming platforms to listing sites, and driven to grow in fast-paced startup environments.

Core Skills

HTML5	CSS3	JavaScript	React
Next.js	Tailwind CSS	Git	GitHub
Supabase	Cloudinary	Figma	RESTful APIs
TMDB API	Zustand	Context API	
Responsive Design	UI/UX Principles	Component-Based Architecture	

Projects

Movie Streaming Website — React, Tailwind CSS, TMDB API, State Management

Built a responsive movie streaming website integrated with the TMDB API to fetch and display movie data. Implemented search functionality, category filtering, and state management for smooth user interaction.

Gradific (Task Management Platform) — NextJS, Tailwind CSS

Collaborated with a team to build a platform for academic institutions to create, assign, and assess tasks easily. Focused on UI consistency, data management, and improving user workflow.

Crownlist (Listing Platform) — NextJS, Tailwind CSS

Worked with a team to develop a listing platform enabling users to create and showcase listings with images. Integrated Cloudinary for media uploads and ensured mobile-first responsiveness.

Experience

Frontend Developer Intern — HNG Tech (Remote | 2025)

- Contributed to multiple frontend projects in collaborative team settings.
- Improved UI components and integrated APIs to enhance user experience.
- Worked in agile sprints, delivering features under tight deadlines.

Protocol Volunteer — KwaraBuild Tech Conference (Ilorin | 2024)

- Assisted in event coordination and guest management.
- Handled speaker onboarding and session timekeeping.

Education

Bachelor of Political Science (Ongoing) — University of Ilorin, Nigeria

Extras

- Passionate about building user-friendly, accessible, and visually appealing applications.
